

Teaching Departments

Our college has twelve departments for providing teaching for the BHMS Course of Homoeopathy. Beside, there is a department of Research and a fully functioning Hospital.

1. 1. Anatomy
2. 2. Physiology and Biochemistry
3. 3. Homoeopathic Pharmacy
4. 4. Materia Medica & Homoeopathic Therapeutics
5. 5. Organon of Medicine & Homoeopathic Philosophy
6. 6. Forensic Medicine & Toxicology
7. 7. Pathology, Microbiology & Parasitology
8. 8. Practice of Medicine & Homoeopathic Therapeutics
9. 9. Gynaecology & Obstetrics
10. 10. Surgery and Homoeopathic Therapeutics
11. 11. Case Taking and Repertory
12. 12. Community Medicine
13. 13. Yoga For Health Promotion

All teaching departments are housed in spacious rooms with adequate seating arrangements and facilities, following the National Commission of Homoeopathy standards.

Rural Family Welfare Centre

A Family Welfare Centre functions to meet the healthcare needs of rural society. Free medical consultation and medicines are provided. The initiative is well appreciated by the community.

Central Library

The college has a well-stocked central library with a reading room, open from 8 A.M. to 6 P.M. on working days. Students may borrow books after depositing caution money. A Book Bank, photocopy facility, computers, and internet are also available.

Courses of Study

The college offers a degree course in Homoeopathy (B.H.M.S.) approved by the National Commission of Homoeopathy and affiliated with BRA Bihar University. The course is of 5½ years, including a 1-year compulsory internship after the final examination.
